

R.S.V.P.
Resource Services from Valuable Professionals
Resource Application

Why should I apply to be a Professional Resource?

- *Recognition as an expert in your field*
- *Opportunity to increase client base*
- *Community involvement*
- *Expanded awareness to people who might not otherwise utilize your services*
- *Listed in the Professional Resource Referral Directory*

I am interested in offering my services as a professional resource to small business members on a “volunteer” basis. I understand there is a **\$60 annual fee** (prorated) to participate in the program, payable to the Cherokee County Chamber of Commerce.
